April 25, 1994

Dear Tomas Holmström,

We are pleased to receive your enquiry indicating your interest in the Estonian Medical Days.

Estonian Medical Association and the Finnish company Metropol Medical are arranging an international export fair Medicin'94 in Tartu on 6.9.-8.9.1994.

The price per m<sup>2</sup> of exhibition area is 950 FIM and the minimum size 10m<sup>2</sup>. The latest time for application for participation is 15.6.1994. We would like to send you the inviting program with details by letter if you're interested in. Therefore we would like to get your address.

I'll be in Copenhagen in June 8-11.

I'll inform you about the possibilities to meet with you as soon as I get the timeschedule of congress from Copenhagen.

Once again we would like to thank you for writing to us and would welcome any further points you would like us to answer.

  
Väino Sinisalu  
Estonian Medical Association
